Amusement / Inflatables Insurance

Events, recreation & entertainment - coverage overview, limitations and how to get a quote

OVERVIEW

Inflatable and ride operators are priced on the type of equipment, whether you staff it and how it is anchored, and many standard carriers will not write them.

WHAT'S COVERED

General liability
Rider injuries from bounce houses, slides and rides.

Equipment coverage
Inflatables, blowers, rides and generators.

Additional insureds
Certificates for customers, schools and cities.

Commercial auto
Trucks and trailers that haul your equipment.

Hired operators
Coverage when your attendants run the equipment.

Good to know
Written anchoring rules, wind shut-off limits (often 15-20 mph) and trained attendants make a big difference in eligibility.
