Business Income Insurance

Property & inland marine - coverage overview, limitations and how to get a quote

OVERVIEW

Business income pays lost net income and continuing expenses while you rebuild, and carriers want realistic financials and an honest restoration period.

WHAT'S COVERED

Lost net income
Profit you would have earned during the shutdown.

Continuing expenses
Rent, payroll, loan payments and utilities.

Extra expense
Costs to move, rent equipment or speed up repairs.

Extended period
Income loss while customers come back after reopening.

Civil authority
Loss when authorities block access to your premises.

Good to know
A completed business income worksheet supports the limit and avoids an underinsurance penalty; monthly limit or agreed value options can waive coinsurance.
