Crop-Hail Insurance

Specialty, farm & environmental - coverage overview, limitations and how to get a quote

OVERVIEW

Crop-hail insurance covers growing crops against hail and fire by the acre, and carriers price it on crop, county, acres and the dollar amount you insure per acre.

WHAT'S COVERED

Hail damage
Loss of yield from hail on standing crops.

Fire
Crops destroyed by fire in the field.

Per-acre limits
Choose the dollars per acre you want insured.

Optional perils
Wind, theft or vandalism endorsements on some crops.

MPCI companion
Coordinates with federal multi-peril crop insurance.

Good to know
Crop-hail can be bought any time during the season, but coverage usually starts 24 hours after the application is accepted – apply before storms are forecast.

Important information: This brochure is a general summary provided for informational purposes only. It is not an insurance policy, contract, binder or offer of coverage. Actual coverages, limits, deductibles, exclusions and conditions are set solely by the policy issued by the insurance company and may differ from the descriptions in this brochure; if there is any difference, the policy language governs. All coverage is subject to underwriting approval. Coverage is not in force and is not bound until you receive a written confirmation of coverage (binder or confirmation receipt) from Societies Insurance or the issuing insurance company. Requesting a quote or submitting an application does not bind coverage. Products, coverages and discounts vary by insurer and are not available in all states. Societies Insurance is an independent insurance agency, Agency NPN 16247324 (in California: DBA Cavlogix Insurance Agency).
