Driver Training School Insurance

Commercial auto - coverage overview, limitations and how to get a quote

OVERVIEW

Driving schools put new drivers behind the wheel every day, so carriers look at dual-brake vehicles, instructor qualifications and whether you train commercial drivers.

WHAT'S COVERED

Auto liability
Accidents during lessons and road tests.

Physical damage
Dual-control training vehicles.

Professional liability
Claims of improper instruction.

Student injuries
Injuries to students in the car.

Classroom liability
Injuries at your classroom location.

Good to know
Dual-brake vehicles, state-licensed instructors and a road-test policy for students using their own cars help most with pricing.
