Fencing Insurance

Contractors & construction - coverage overview, limitations and how to get a quote

OVERVIEW

Fence contractors face underground utility strikes from post holes and property-line disputes, so carriers ask about locates, fence types and gate automation.

WHAT'S COVERED

General liability
Bodily injury and property damage to others from your work.

Underground damage
Gas, water and cable lines hit while digging post holes.

Tools and equipment
Augers, post drivers and skid steers.

Workers compensation
Medical bills and lost wages when your crew gets hurt.

Commercial auto
Trucks, vans and trailers used to get to jobs.

Good to know
Residential wood and vinyl fencing writes easily; automatic gates and highway guardrail work need more underwriting.
