Firearms Collection Insurance

Personal insurance - coverage overview, limitations and how to get a quote

OVERVIEW

Homeowners theft limits for firearms are low; a firearms floater covers collections for their full value, including at the range.

WHAT'S COVERED

All-risk coverage
Loss, theft and accidental damage, not just named perils.

Theft
Full value, not the homeowners sublimit.

Worldwide
Coverage at home, in storage and while traveling.

No deductible options
Many floaters carry a $0 deductible.

At the range and hunting
Coverage away from home.

Good to know
A gun safe or vault is usually required for larger collections.
