Locksmith Insurance

Specialty trades & services - coverage overview, limitations and how to get a quote

OVERVIEW

Locksmiths hold the keys to other people's property, so carriers look at licensing, how you verify ownership before opening locks, and any safe or access-control work.

WHAT'S COVERED

General liability
Bodily injury and property damage to others from your work.

Errors and omissions
Claims that a lock or system you installed failed to secure.

Tools and key machines
Pick sets, key cutters, programmers and van inventory.

Crime and bond
Theft by an employee from a customer.

Commercial auto
Vans, trucks and trailers you drive to jobs.

Good to know
A written ID and proof-of-ownership policy before lockouts is the first thing underwriters ask about, and it helps defend burglary claims.
