Medical Billing Insurance

Healthcare & social services - coverage overview, limitations and how to get a quote

OVERVIEW

Medical billing errors can trigger payer audits, lost reimbursement and HIPAA breaches, so carriers focus on your coding accuracy, contracts and data security.

WHAT'S COVERED

Errors and omissions
Coding and billing mistakes that cost your clients money.

Regulatory defense
Costs from billing audits and false claims investigations.

General liability
Office premises injuries and client property damage.

Cyber and HIPAA
Breaches of patient data and notification costs.

Crime and fidelity
Employee theft of client funds or payments.

Good to know
Certified coders, a business associate agreement with every client and multi-factor authentication on billing systems help with pricing.

Important information: This brochure is a general summary provided for informational purposes only. It is not an insurance policy, contract, binder or offer of coverage. Actual coverages, limits, deductibles, exclusions and conditions are set solely by the policy issued by the insurance company and may differ from the descriptions in this brochure; if there is any difference, the policy language governs. All coverage is subject to underwriting approval. Coverage is not in force and is not bound until you receive a written confirmation of coverage (binder or confirmation receipt) from Societies Insurance or the issuing insurance company. Requesting a quote or submitting an application does not bind coverage. Products, coverages and discounts vary by insurer and are not available in all states. Societies Insurance is an independent insurance agency, Agency NPN 16247324 (in California: DBA Cavlogix Insurance Agency).
