Pressure Washing Insurance

Specialty trades & services - coverage overview, limitations and how to get a quote

OVERVIEW

Pressure washing looks simple, but high-pressure water and cleaning chemicals cause etched glass, stripped paint, dead plants and wastewater runoff claims.

WHAT'S COVERED

General liability
Bodily injury and property damage to others from your work.

Customer property damage
Damage to siding, decks, windows and vehicles you wash.

Equipment and trailers
Washers, surface cleaners, tanks and rigs.

Workers compensation
Medical bills and lost wages when a crew member is hurt.

Commercial auto
Vans, trucks and trailers you drive to jobs.

Good to know
Carriers like to see written procedures for chemical mixing and wastewater handling, and roof washing can raise rates with some markets.
