Trailer Interchange Insurance

Trucking & logistics - coverage overview, limitations and how to get a quote

OVERVIEW

Trailer interchange covers trailers and containers you pull under a written interchange agreement, and carriers ask about your agreements and the value of trailers you take on.

WHAT'S COVERED

Non-owned trailers
Damage to trailers you pull under an interchange agreement.

Containers and chassis
Intermodal equipment in your possession.

Collision and comprehensive
Wrecks, fire, theft and vandalism.

Loss of use
Rental charges owed to the trailer owner after a loss.

Agreement compliance
Meets UIIA and carrier interchange requirements.

Good to know
Trailer interchange only applies under a written agreement, so keep copies on file; trailers you borrow without one usually need non-owned trailer physical damage instead.
