Urgent Care Center Insurance

Healthcare & social services - coverage overview, limitations and how to get a quote

OVERVIEW

Urgent care centers see high patient volume with limited history, so carriers look at staffing, missed-diagnosis controls and the procedures you perform.

WHAT'S COVERED

Medical professional liability
Claims of misdiagnosis or treatment errors.

General liability
Injuries to patients and visitors on the premises.

Employment practices
Claims from staff of discrimination or wrongful termination.

Entity coverage
Shared or separate limits for the clinic itself.

Cyber and HIPAA
Breach response for patient records.

Good to know
A written transfer protocol to the emergency room and physician review of mid-level charts help pricing.
